

Discussion Guide for “Where’s My Burning Bush?”

Beavercreek Church of the Nazarene – 7.8.12

How many of us wander through our everyday lives wishing we could have a miraculous encounter with God? We'd love to be like Moses, who encountered God in a burning bush? The truth is, once we have joined in with God's rescue mission, we become the burning bush. We choose to imitate Jesus, and so we become a vision of God's kingdom in the midst of everyone else's everyday world.
