

The Holy Spirit is the third person of the Trinity. She empowers the Church to be the body of Christ, the visible image of God's life, to the world. Everything we do as followers of Jesus flows from the Holy Spirit, and we can do nothing in God's Kingdom without her. What keeps us from living the full life God offers is our refusal (or ignorance) of the Spirit's power. By choosing to connect to the Spirit, we live powerful, victorious lives that present a clear image of God to the world.
