

Discussion Guide for “How God Speaks” -- *Is This On?* Week 3

Many of us assume that God can't talk to us – that because God is the all-powerful creator of the universe, we are incapable of understanding anything God would say to us. But because God has come to us in the person of Jesus, we can be confident that God speaks to us in ways we understand. The secret is to put ourselves in contexts where we can hear God. Spiritual practices and godly community help us hear when God is speaking in our everyday lives.
