

Discussion Guide for “Waiting To Dance”

~~Don't~~ Go There! Week 7

Most of time, life in the spirit may feel like it's hard to figure out. We don't know what we're supposed to do, so we just GO GO GO and end up burning out, or we just sit on the sidelines. Jesus calls us to go and wait, which ends up leading to a continual dance with the Spirit. We go where she leads and then wait for her to move. Over time, what started out as stutter steps and awkward movements turns into a beautiful dance where it's hard to see who's leading because you're moving as one. This is what the disciples were asked to do, and what we are asked to do. Life with the Spirit is a dance like no other.
