

Discussion Guide for “Who is Getting My Best?”

Social – Week 3

We all have only so much relational energy, and pornography acts like a hole in our relational gas tanks, draining away the love we’re meant to share with others in our lives. The big lie of porn is that it’s victimless. Porn hurts everyone, from the people who make it to the people who use it to the families of the users. Porn is injustice because porn reduces persons created in God’s image to objects to be used for others’ pleasure. How can we resist the toxic effects of porn on our culture? How can we be a church that affirms God’s image in everyone?
