

Discussion Guide for “Werewolves”

Monsters – Week 2

The Werewolf is a person who has a beast living inside them. We know what that's like: to have something inside us, something we try to control. But just like the monster stories, no matter how hard we try, the Wolf gets out. And our sin doesn't just hurt us, it hurts the people around us.

So what's the cure? How do we get rid of the Wolf inside? How do we find victory from the Sin we've dealt with for so long?
