

Discussion Guide for Sheep Whisperer

Identity Crisis - Week 4

Our lives are busy and hectic, and at times we feel as though there's no hope. How do we remain faithful to God when life gets out of control? The early Christians found they needed to hear the voice of their shepherd and follow Him. Spiritual practices are more than just things to do, they change who we are. They form us into people that are at peace, even in the midst of the storm. And when we are at peace, we can hear God's voice and follow Him faithfully.
